

ACTION STEPS FOR THE ENERGY INDUSTRY

TAT TRAIN TRUCK DRIVERS

If your company employs anyone with a CDL or has its own fleet of trucks, you should have all drivers take the free TAT training. This 26-minute training is accompanied by our wallet card and equips your drivers to know what human trafficking looks like and how they can report it.

Target Audience: Supply chain, service companies, fuel distribution

TAT SHIPPING PARTNERS

If your company does not employ its own drivers, but you do contract them, you can encourage your trucking companies to become TAT Trained.

Target Audience: Any company who contracts CDL holders, drivers or carriers

ENERGY MATERIALS

Hand out TAT's free energy-specific wallet cards to employees and display free awareness posters in high-traffic areas.

Target Audience: All companies or associations

WEBINAR/SAFETY MOMENT

Dedicate safety topics to raising awareness of human trafficking. Use TAT's energy webinar or safety moment presentation to share information with all types of employees.

Target Audience: All employees

HOST COALITION BUILDS

Team up with TAT to sponsor and host coalition builds in shale plays or areas with high concentrations of energy employees to build strategic partnerships to fight human trafficking.

Target Audience: Any company who sees a need for the communities they operate in

DEMAND REDUCTION POLICIES

Adopt an anti-trafficking-in-person policy with a demand-reduction focus, where employees can't use company time or resources to purchase commercial sex.

Target Audience: All companies

FREEDOM DRIVERS PROJECT

Train and inspire your employees to combat human trafficking by hosting our mobile exhibit.

Target Audience: All companies or associations

HT 101 PRESENTATIONS

Pair these presentation with Freedom Drivers Project events to aid in raising awareness.

Target Audience: All companies or associations
