

Truckers Against Trafficking App Privacy Policy

Effective Date: May 1, 2019

Introduction

Truckers Against Trafficking (“TAT” or “Company” or “We”) respects your privacy and is committed to protecting it through our compliance with this policy. This policy describes:

- The types of information we may collect or that you may provide when you download, install, register with, access, or use the TAT mobile application (the “App”).
- Our practices for collecting, using, maintaining, protecting, and disclosing that information.

This policy applies only to information we collect in connection with this App.

This policy DOES NOT apply to information that:

- TAT collects offline.
- You provide to or is collected by any third party (see the section below entitled “THIRD-PARTY INFORMATION COLLECTION”).

Our website, any other apps, and independent third parties may have their own privacy policies, which we encourage you to read before providing information on or through them.

Please read this policy carefully to understand our policies and practices regarding your information and how we will treat it. If you do not agree with our policies and practices, do not download, register with, or use this App. By downloading, registering with, or using this App, you agree to this privacy policy. This policy may change from time to time (see the section below entitled “CHANGES TO OUR PRIVACY POLICY”). Your continued use of this App after we make changes is deemed to be acceptance of those changes, so please check the policy periodically for updates.

Children Under the Age of 13

The App is not intended for children under 13 years of age, and we do not knowingly collect personal information from children under 13. If we learn we have collected or received personal information from a child under 13 without verification of parental consent, we will delete that information. If you believe we might have any information from or about a child under 13, please contact us at the address set forth below.

Information We Collect and How We Collect It

We collect information from and about users of our App:

- Directly from you when you provide it to us.

- Automatically when you use the App. This information is anonymous and App users may opt out of information collection during App usage.

Information You Provide to Us

When you download, register with, or use this App, we may ask you to provide information by which you may be personally identified, such as name or e-mail address, (“personal information”).

Information Collection Technologies

The App does not use cookies or any behavior tracking software.

Third-Party Information Collection

When you use the App or its content, certain third parties may use automatic information collection technologies to collect information about you or your device. They may use this information to provide you with interest-based (behavioral) advertising or other targeted content. We do not control these third parties' tracking technologies or how they may be used. If you have any questions about an advertisement or other targeted content, you should contact the responsible provider directly.

How We Use Your Information

We use information that we collect about you or that you provide to us, including any personal information, to facilitate and track volunteers and their activities, among other things.

Disclosure of Your Information

We will not sell or share your personal information with third parties for the third party's own direct marketing purposes without your express consent.

We may disclose aggregated information about our users, and information that does not identify any individual without restriction.

In addition, we may disclose personal information that we collect or you provide:

- To our subsidiaries and affiliates.
- To contractors, service providers, and other third parties we use to support our business, including Facebook.
- To fulfill the purpose for which you provide it.
- For any other purpose disclosed by us when you provide the information.
- With your consent.
- To comply with any court order, law, or legal process, including to respond to any government or regulatory request.

We do not permit third parties to use any personal information we share for any purpose other than (i) as described in this Privacy Policy, and (ii) to comply with their own legal requirements.

Notice to California Residents / Your California Privacy Rights

California Civil Code permits California residents to request that we not share your personally information with third parties for their direct marketing purposes. If you are a California resident, you may contact tat.truckers@gmail.com to request information regarding how we share personal information with third parties for their direct marketing purposes and/or to request that such information not be shared with third parties for such purposes.

Your Choices About Our Collection, Use, and Disclosure of Your Information

You may have the opportunity to receive certain communications from us related to our App. If you provide us with your e-mail address in order to receive communications, you can opt out of marketing e-mails at any time by following the instructions at the bottom of our e-mails and adjusting your e-mail preferences. Please note that certain e-mails may be necessary for the operation of our App. You will continue to receive these e-mails, if appropriate, even if you unsubscribe from our optional communications.

Accessing and Correcting Your Personal Information

You can review and change some of your personal information by logging into the App and visiting your account profile page under the Settings Menu.

Data Security

We have implemented administrative, technical, and physical measures designed to secure your personal information from accidental loss and from unauthorized access, use, alteration, and disclosure.

The safety and security of your information also depends on you. Where we have given you (or where you have chosen) a password for access to certain parts of our App, you are responsible for keeping this password confidential. We ask you not to share your password with anyone.

Unfortunately, the transmission of information via the internet and mobile platforms is not completely secure. Although we do our best to protect your personal information, we cannot guarantee the security of your personal information transmitted through our App. Any transmission of personal information is at your own risk. We are not responsible for circumvention of any privacy settings or security measures we provide.

International Jurisdictions

The App is hosted in the United States of America and is subject to U.S. state and federal law. If you are accessing our App from other jurisdictions, please be advised that you are transferring your personal information to us in the United States, and by using our App, you consent to that transfer and use of your personal information in accordance with this Privacy Policy. You also agree to abide by the applicable laws of applicable states and U.S. federal law concerning your use of the App and your agreements with us. Any persons accessing our App from any jurisdiction with laws or regulations governing the use of the Internet, including personal data

collection, use and disclosure, different from those of the jurisdictions mentioned above may only use the App in a manner lawful in their jurisdiction. If your use of the App would be unlawful in your jurisdiction, you may not use the App.

Changes to Our Privacy Policy

We may update our privacy policy from time to time. If we make material changes to how we treat our users' personal information, we will post the new privacy policy on this page with a notice that the privacy policy has been updated.

The date the privacy policy was last revised is identified at the top of the page. You are responsible for periodically visiting this privacy policy to check for any changes.
